King James Version

The Gospel of Luke from the King James Version

The Gospel of Luke is the most literary of the four gospels which recount the life and work of Jesus Christ. Although anonymous, the book is generally attributed to Luke, a physician and a missionary companion of the Apostle Paul. His account contains events which are unique in the four gospels including the visits of Gabriel to Mary and Zacharias, the visit of the shepherds to the birth of Jesus, and the story of the young Jesus at the temple. This gospel contains the most references to women and is favorable to the Gentiles for whom it was written. Perhaps the most well-known of all New Testament passages is the second chapter of Luke which tells of the birth of Christ. (Summary by Susan Denny)

Read by Susan Denney & Fr. Richard Zeile of Detroit; total running time: 03:01:28.
